

Scavenger Hunt

1

I am a big cat covered in spots.
I live in the jungle where it's rainy and hot.
I live alone and hunt at night.
I cannot roar but growl I might.

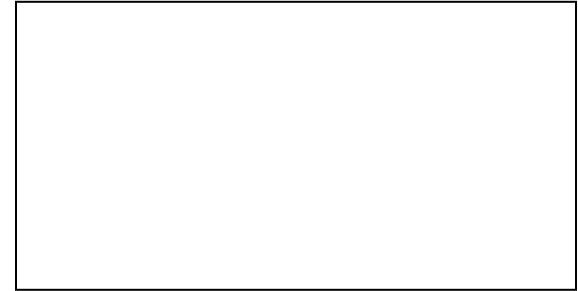

Who am I? _____

How high can the male jump?
a) 5 ft b) 20 ft c) 50 ft

Circle where I live.

Draw my spots in the box below.

2

I am red with skinny white stripes.
The lowland forest is my habitat type.
I live in a herd or a group you may say.
When I get scared I run far, far away.

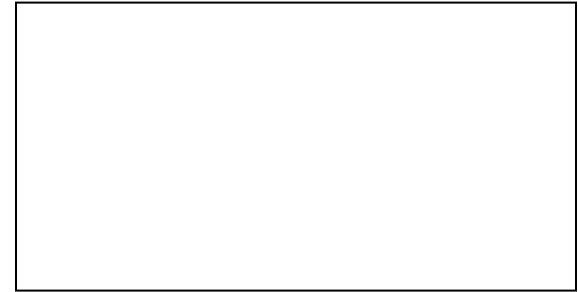

Who am I? _____

What do I eat?
a) leaves b) birds c) cats

Circle where I live.

Draw my horns in the box below.

3

I am brown with tiny short horns.
I am awake at dusk and in the morn'.
I eat fruit, berries, and seeds.
I live in the woods, not in the weeds.

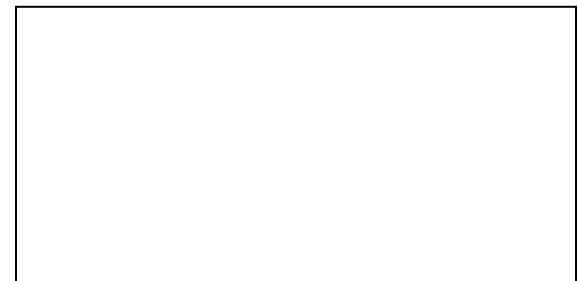

Who am I? _____

Is this a vanishing animal?
a) yes b) no

Circle where I live.

Draw the animal in the box below.

4

I am a small cat the size of your pet.
I am endangered, but not extinct yet.
I have black spots and a stripe on my back.
I will eat lizards, birds, and bats.

Who am I? _____

How many of us are left in Texas?
a) 0 b) 1,000 c) 100

Circle where I live.

Draw something I would eat in the box below.

5

I have a big mane and live in a pride.
When hunting my prey in the grass I will hide.
I eat meat like zebra and boar.
When I get mad I give a loud roar.

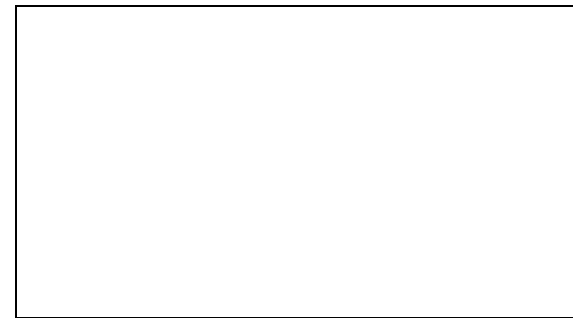

Who am I? _____

How many of us can live in a pride?
a) 2 b) 50 c) 25

Circle where I live.

Draw my paw print in the box below.

KEY

	AFRICA
	MEXICO

Find the animals!
Circle the names of the animals you saw during your scavenger hunt in the word find.
