

Sense Safari

Ears to keep cool, eyes that shoot blood, tails to hang by. Animals use their body parts in different ways. Join us as we read *What Do You Do With a Tail Like This?* We will explore the many things animals can do with their eyes, ears, mouths, noses, feet, and tails!

This class is aligned with Texas State as well as National Science standards.

Texas State Standards alignment

During this class we will:

- Discuss the basic needs of animals and how they use their senses to find them
 - Kindergarten- 9B
- Identify parts of animals such as head, eyes, and limbs
 - Kindergarten- 10B

National Standards alignment

Unifying Concepts and Processes

- Evidence, models, and explanation

Life Science

- Characteristics of organisms
- Organisms and environments
