

Please remember...

- All workshops are 2 hours in length. Certificates will be handed out at the end of the workshop. Scouts will be responsible for obtaining the badge from their scout leader.
- Scouts are asked to wear part of their uniform.
- We have limited space per class. Parents—please wait for your child outside of the classroom. This will allow us to reach more Scouts. Bio-fact tables in the exhibit hall are for parents to enjoy or you may enjoy the Zoo.
- Parents are welcome to join their scout during the workshop tours. Tour departure times are posted outside each workshop.
- Please wear your wristband so that you may easily travel between the Zoo and the Brown Education Center.

Don't miss out on these fun items!

Scout Day Patches

Purchase your Houston Zoo Scout Day patch for \$3.

Raffle Tickets

Be sure to get your raffle tickets and get in on the chance to win some cool prizes! Tickets are just 1 for \$2 or 3 for \$5. Winners will be drawn at 11:45 am and 3:00 pm.

Girl Scout Badge Day

Daisies

Use Resources Wisely Petal, Be responsible, & Make the World a Better Place Petals
Learn how you can make the world a better place! Through stories, crafts, and a tour around the Zoo, find out how you can make a difference.

Respect Myself and Others & Considerate and Caring Petals

Learn about respecting yourself and others including the animals that call the Zoo home! Through stories, crafts, and a tour around the Zoo, find out what it means to be considerate.

Brownies

Pets

Gain a better understanding of “wild vs. domestic” animals and what it takes to care for them. See sample diets, tour the Zoo, and make an enrichment “toy” to take home.

Senses

Learn about animals and their extraordinary senses! Learn how they use their senses to survive in their habitats.

Juniors

Digital Photographer

Learn the simple functions of a digital camera and how to edit your photos so you can share them with your friends and family!

Animal Habitats

Investigate different habitats and the animals that call them home. Learn different ways you can help save endangered habitats.

Bio-Facts

There will be a display of a variety of interesting bio-facts to explore. Volunteers will be on hand to tell you about them and share answers to your questions.
